Please review the Exodus 23 commentary, as we will discuss how the first two-thirds of that chapter meshes with what we have learned and talked about. This work will give you a jumpstart on your paper. You will be given a portion of class time in week 5 to work on this. The paper will be due at the END of class on Week 6, and I prefer electronic copies. While I have put you to work on your internet project, the paper will be due in week 5, so get any questions out of the way.
